

VILLAGE OF CLIFFORD

AMENDMENT TO PUBLIC WATER SUPPLY CROSS CONNECTION ORDINANCE

ORDINANCE No. 5.1

An ordinance to amend the Public Water Supply Cross Connection Ordinance of the Village of Clifford, being Ordinance No. 5, to adopt by reference the Water Supply Cross Connection Rules of the Michigan Department of Environmental Quality, to provide for the inspections, and to provide for disconnections and civil fines and costs for the violation thereof.

**THE VILLAGE OF CLIFFORD ORDAINS:**

The following sections are hereby added to Ordinance No. 5 to read as follows:

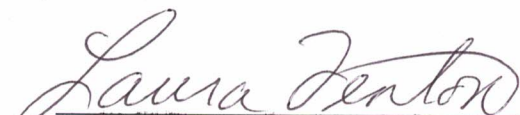

SECTION 3.1 All buildings or structures within the village limits used for human habitation or occupancy, which are located within the water system, shall connect to the water system and shall not be cross connected to any other source of water supply. This connection shall be in accordance with the provisions of this article and the Village of Clifford Ordinance No. 45, Water Connection Fee and Usage Fee Ordinance.

SECTION 3.2 In cases where more than one building or structure served by a single connection and under single ownership are divided in such a way as to become two or more parcels, each separate parcel created shall install a separate connection to the water system in accordance with all of the provisions and charges set forth in this article.

SECTION 3.3 Any residences currently having and operating a well, with no connection to the system, are exempt from enforcement of this ordinance until such time as the said well shall become inoperable.

The undersigned President and Clerk of the Village of Clifford hereby certify that this Ordinance was duly adopted by the Clifford Village Council at a meeting held on the 15<sup>th</sup> day of April, 2008 and was published in the LA View on the 24 day of April, 2008. This Ordinance was made effective 20 days after the date of adoption.
